2. Basis Of The Sale

- 2.1. The Seller shall sell and the Buyer shall purchase the Goods in accordance with the written order of the Buyer which is accepted by the Seller, subject to these Conditions which shall govern the Contract to the exclusion of any other terms and conditions subject to which any such order is made or purported to be made by the Buyer. The Seller shall not be obliged to accept verbal orders however made, but if accepted by the Seller, verbal orders are accepted at the Buyer's risk and unless confirmed in writing by the Buyer prior to delivery, the Seller accepts no responsibility for any errors in the quantity or description of the Goods or in the time for delivery of the Goods or any loss whatsoever arising therefrom.
- 2.2. No variation to these Conditions shall be binding unless agreed in Writing between the authorised representatives of the Buyer and the Seller.
- 2.3. The Seller's employees or agents are not authorised to make any representations concerning the Goods unless confirmed by the Seller in writing. In entering into the Contract the Buyer acknowledges that it does not rely on, and waives any claim for breach of any such representations which are not so confirmed.

- 2.4. Any advice or recommendation given by the Seller or its employees or agents to the Buyer or its employees or agents as to the storage, application or use of the Goods which is not confirmed in Writing by the Seller is followed or acted upon entirely at the Buyer's own risk, and accordingly the Seller shall not be liable for any such advice or recommendation which is not so confirmed.
- 2.5. Any typographical, clerical or other error or omission in sale literature, quotation, price list, acceptance of offer, invoice or other document or information issued by the Seller shall be subject to correction without any liability on the part of the Seller.

3. Orders and Specifications

- 3.1. No order submitted by the Buyer shall be deemed to be accepted by the Seller unless and until confirmed in Writing by the Seller's authorised representative.
- 3.2. The Buyer shall be responsible to the Seller for ensuring the accuracy of the terms of any order (including any applicable specification) submitted by the Buyer, and for giving the Seller any necessary information relating to the Goods within a sufficient time to enable the Seller to perform the Contract in accordance with its terms.
- 3.3. The quantity, quality and description of any specification for the Goods shall be those set out in the Buyer's order (if accepted by the Seller).
- 3.4. The Seller reserves the right to make any changes in the specification of the Goods which are required to conform with any applicable safety or other statutory requirements or where the Goods are to be supplied to the Seller's specification, which do not materially affect their quality or performance.
- 3.5. No order which has been accepted by the Seller may be cancelled by the Buyer except with the agreement in Writing of the Seller and on terms that the Buyer shall indemnify the Seller in full against all loss (including loss of profit), costs (including the cost of all labour and materials used), damages, charges and expenses incurred by the Seller as a result of cancellation.

4. Price Of The Goods

- 4.1. The price of the Goods shall be the Seller's quoted price or the price stated in the Seller's confirmation of order and is exclusive of any applicable value added tax, which the Buyer shall be additionally liable to pay to the Seller.
- 4.2. The Seller reserves the right, by giving notice to the Buyer at any time before the delivery, to increase the price of the Goods to reflect any increase in the cost to the Seller which is due to any factor beyond the control of the Seller or which is the fault of the Buyer.
- 4.3. Unless otherwise agreed in writing by the Seller, all prices are given by the Seller on an ex works basis, and the Buyer shall be liable to pay the Seller's charges for transport, packaging and insurance.
- 4.4. Where the Seller is to erect the Goods on sale the price of the Goods is based on the necessary works being undertaken during the Seller's normal working hours. If any work is undertaken outside those hours the Buyer shall be additionally liable to pay the Seller's charges therefor.

5. Terms Of Payment

- 5.1. The Seller shall be entitled to invoice the Buyer for the price of the Goods on or at any time after the Seller's quotation is accepted by the Buyer or the Buyer's order is accepted by the Seller.

- 5.2. Subject to any special terms agreed in Writing between the Buyer and the Seller the Buyer shall pay the price of the Goods without any deduction before delivery and the Seller shall not be bound to deliver the Goods until the Buyer has paid for them. If the Seller agrees in writing to accept payment after the Goods are delivered then the Buyer shall pay the price of the Goods without a deduction at the end of the month immediately following the date of the Seller's invoice. Payment must be made notwithstanding that the property in the Goods has not passed to the Buyer. The time of payment of the price shall be of the essence of the Contract. Receipts for payment will be issued only upon request.
- 5.3. If the Buyer fails to make any payment on the due date then, without prejudice to any other right or remedy available to the Seller, the Seller shall be entitled to:
- 5.3.1. cancel the contract or-suspend any further deliveries to the Buyer;
- 5.3.2. appropriate any payment made by the Buyer to such of the Goods(or the goods supplied under any other contract between the Buyer and the Seller) as the Seller may think fit (notwithstanding any purported appropriation by the Buyer); and
- 5.3.3. charge the Buyer interest (both before and after any judgement) on the amount unpaid, at the rate of two per cent per month until payment in full is made (a part of a month being treated as a full month for the purpose of calculating interest).

6. Delivery

- 6.1. Delivery of the Goods shall be made by the Buyer collecting the Goods at the Seller's premises at any time after the Seller has notified the Buyer that the Goods are ready for collection or, if some other place for delivery is agreed by the Seller, by the Seller delivering the Goods to that place.
- 6.2. Any dates quoted for delivery of the Goods are approximate only and the Seller shall not be liable for any delay in delivery of the Goods howsoever caused. Time for delivery shall not be of the essence.
- 6.3. The Goods will be carefully inspected and where practicable submitted to the Seller's standard tests at the Seller's premises before the delivery. If tests other than the Seller's standard tests or tests in the presence of the Buyer or its representative are required, such tests will be charged for. In the event of any delay on the Buyer's part in attending such tests or in carrying out any inspection required by the Buyer after notice that the Seller is ready the tests will proceed in the Buyer's absence but shall be deemed to have been made in the Buyer's presence.
- 6.4. If the Seller fails to deliver the Goods for any reason other than any cause beyond the Seller's reasonable control or the Buyer's fault, and the Seller is accordingly liable to the Buyer, the Seller's liability shall be limited to the excess (if any) of the cost to the Buyer-(in the cheapest available market) of similar goods to replace those not delivered over the price of the Goods.

- 7.4. If the Buyer requests the Seller to undertake any works for which the Buyer is responsible the Seller may, but may not be required to, undertake some or all of those works and the Buyer shall be additionally liable to pay the Seller's charges for the same.
- 7.5. The Buyer acknowledges that the skill and experience of the Seller's employees is limited to the erection of the Goods only. Accordingly the Seller gives no warranty that any works undertaken by the Seller at the Buyer's request pursuant to clause 7.4 will be carried out with care and skill beyond that which may be reasonably expected of persons whose skill and expertise is limited to the erection of the Goods.
